Value: £320k

Date: 2011

Description

Phase 1 consists of repairs to 110m section of 1km Grade 2 listed boundary wall at Kensal Green cemetery.

The works involved:

- Survey, record and document existing wall bench marks.
- Take down existing wall to foundation.
- Remove existing foundations.
- Provide new piled foundation with concrete ground beam.
- Rebuild wall utilising salvaged bricks and stone dressings.
